Day 1: Wednesday 24 February 2027

Main Stage			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
09:30–10:30 AM	Opening Session: Setting the Agenda for Climate Action in the Global South	Cross-cutting	Set a shared agenda for ambitious, equitable and locally grounded climate action across the Global South.
10:45–11:45 AM	Building a Global South Climate Action Collective	Cross-cutting	Build a collaborative platform that connects Global South leaders to coordinate and accelerate climate action.
12:00–01:00 PM	Science, Data Sovereignty in Climate Decision-Making	Cross-cutting	Explore how trusted science, accessible data and data sovereignty can strengthen climate decision-making.
02:30–03:45 PM	Water for climate action	Cross-cutting	Identify integrated water-security solutions that strengthen climate resilience for communities, cities and ecosystems.
04:00–05:15 PM	Circularity in Textile & Fashion	Circularity	Showcase policy, design and business models that can accelerate circularity across textile and fashion value chains.
05:30–06:30 PM	Climate resilient agriculture and food value chains	Food	Advance scalable approaches for climate-resilient agriculture and inclusive, low-carbon food value chains.

Pavilion 1			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:30–03:45 PM	E-Waste & Critical Minerals Recovery	Circularity	Examine circular solutions for recovering e-waste and critical minerals while reducing environmental and social harm.
04:00–05:15 PM	Climate resilient dairy	Food	Identify practical pathways to improve dairy productivity, livelihoods and resilience under a changing climate.
05:30–06:30 PM	Carbon Markets, CBAM & Green Trade Competitiveness	Energy	Clarify how carbon markets and CBAM can support credible decarbonisation and green trade competitiveness.

Pavilion 2			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:30–03:45 PM	Climate-Resilient Urban Planning & Design	Urban	Share planning and design approaches that help cities withstand climate risks while improving liveability and equity.
04:00–05:15 PM	Urban Heat Island Mitigation	Urban	Identify data-led, nature-based and public-health measures to reduce urban heat exposure and vulnerability.
05:30–06:30 PM	Participatory Budgeting for Climate Action	Urban	Explore participatory budgeting models that direct public finance toward locally prioritised climate action.

Pavilion 3			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:30–03:45 PM	Blue Carbon & Coastal Ecosystems	Biodiversity	Highlight strategies to protect and restore blue-carbon ecosystems while strengthening coastal resilience and livelihoods
04:00–05:15 PM	Biodiversity Risk & Nature-Positive Business Innovation	Biodiversity	Help businesses assess nature-related risks and develop investable, nature-positive innovations.
05:30–06:30 PM	Community-Led Conservation Models	Biodiversity	Showcase community-led conservation models that combine local stewardship, traditional knowledge and durable livelihoods.

Pavilion 4			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:30–03:45 PM	Circularity 4.0 and the Next Manufacturing Industrial Revolution	Circularity	Explore how digital technologies and circular design can drive resource-efficient, competitive manufacturing.
04:00–05:15 PM	Grid Transformation for a Resilient Energy Future	Energy	Define priorities for modernising the grid to enable reliable, affordable and resilient clean-energy systems.
05:30–06:30 PM	Future of Circular Packaging: EPR, Credits, AI and Traceability Solutions	Circularity	Examine how EPR, credits, AI and traceability can accelerate transparent and circular packaging systems.

Evening Engagement: Pavilion Networking Area			
Time Slot	**Session / Availability**	**Track / Theme**	
07:30–09:30 PM	Circular Fashion Showcase: upcycled & circular textile design	Reception/ Performance	

Day 2: Thursday 25 February 2027

Main Stage			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
09:30–10:30 AM	Keynote Address: Innovation & Investment for Climate Resilience	Cross-cutting	Inspire investment and innovation partnerships that can scale climate resilience across the Global South.
10:45–11:45 AM	Climate Finance & Investment Pathways	Cross-cutting	Identify financing pathways that mobilise public and private capital for inclusive climate action.
12:00–01:00 PM	Financing the Transition, Blended Finance Models	Cross-cutting	Demonstrate how blended-finance structures can de-risk and accelerate investment in climate solutions.
01:30–02:15 PM	Fireside Chat: Global Perspectives on Climate Leadership / City Leaders Conclave on Climate Action	Cross-cutting	**Powering the Urban Energy Transition in the Global South**- A discussion on how cities can accelerate clean energy through renewable electricity procurement, municipal operations, financing and partnerships.
02:15–03:15 PM	Coastal Resilience & Flood-Ready Infrastructure	Urban	Advance integrated infrastructure and nature-based strategies for coastal and flood resilience.
03:40–04:40 PM	Clean Mobility & Low-Carbon Freight	Energy	**Scaling Electric Freight in India: An Industry Leadership Roundtable-** A CEO-level discussion on scaling electric freight, bringing together shippers, logistics providers, charging companies and financiers to identify practical pathways for adoption and investment.
05:05–06:05 PM	Human-Wildlife Coexistence	Biodiversity	Identify scalable approaches that reduce human-wildlife conflict while protecting biodiversity and livelihoods.

Pavilion 1			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:15–03:15 PM	Fisheries & Coastal Food Economies	Food	Explore resilient and sustainable fisheries models that strengthen coastal food economies and livelihoods.
03:40–04:40 PM	Climate-Smart Agriculture & Precision Farming	Food	Showcase precision tools and climate-smart practices that improve farm productivity, resilience and resource efficiency.
05:05–06:05 PM	Food Deserts & Access Equity	Food	Develop inclusive solutions that improve affordable access to nutritious food in underserved communities.

Pavilion 2			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:15–03:15 PM	Advancing Green Industrial Growth	Energy	Identify clean technologies, policies and investment models that enable competitive green industrial growth.
03:40–04:40 PM	Financing Net-Zero and Heat-Resilient Districts	Urban	Explore finance mechanisms for net-zero, heat-resilient districts that deliver equitable urban development.
05:05–06:05 PM	Climate-Resilient Urban Health Systems	Urban	Strengthen urban health systems to anticipate and respond to heat, pollution and climate-related disease risks.

Pavilion 3			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:15–03:15 PM	Green Corridors & Habitat Connectivity	Biodiversity	Advance connected landscapes and infrastructure solutions that protect wildlife movement and ecosystem resilience.
03:40–04:40 PM	Financing Biodiversity Conservation Efforts	Biodiversity	Identify innovative and equitable finance mechanisms that can scale long-term biodiversity conservation.
05:05–06:05 PM	Advancing green data centres	Energy	Define pathways for energy-efficient, renewable-powered and climate-resilient data-centre growth.

Pavilion 4			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:15–03:15 PM	Zero-Landfill Ambitions for Indian Cities	Circularity	Share scalable city strategies to prevent waste, cut methane and progress toward zero-landfill systems.
03:40–04:40 PM	Waste-to-Value Innovations in Coastal Communities	Circularity	Showcase circular enterprises that convert coastal waste streams into economic value and cleaner ecosystems.
05:05–06:05 PM	Informal Waste Economy & Waste-Picker Integration	Circularity	Develop inclusive waste systems that recognise, protect and economically empower informal waste workers.

Innovation Challenge (Floor 1 : Room 104)			
Time Slot	**Session / Availability**	**Track / Theme**	
09:00–11:30 AM	Semi-Final Pitches, Climate Innovators & Startups	Innovation	
1:30 PM–04:00 PM	Grand Finale: Final Pitches & Judging	Innovation	

Evening Engagement: Pavilion Exhibition Arena			
Time Slot	**Session / Availability**	**Track / Theme**	
07:30–09:30 PM	Networking Dinner	Reception/Performance	

Day 3: Friday 26 February 2027

Main Stage			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
09:30–10:30 AM	Local Voices: Community-Led Climate Action in Mumbai & Maharashtra	**Cross-cutting**	For Grameen segment
10:45–11:45 AM	Climate Philanthropy Forum	**Cross-cutting**	Role of CSR in Climate Change
12:00–01:00 PM	Story Telling For Climate: Role of Film and Art	**Cross-cutting**	School children engagement with prominent leaders
02:00–03:00 PM	Chief Minister's Climate Conclave	**Cross-cutting**	Secure state-level commitments and collaboration to accelerate high-impact climate action across Maharashtra.
04:30–06:30 PM	MCW 2027 Closing Ceremony: Reflections, Commitments, Innovation Challenge Winner Announcement & Road to Next	**Cross-cutting**	Reflect on key outcomes, announce commitments and innovation winners, and set the road map for the next MCW.

Pavilion 1			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:00–03:00 PM	Local Food Value Chains, Cold Storage & Producer Networks	**Food**	Strengthen local food value chains through resilient cold storage, producer networks and market access.

Pavilion 2			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:00–03:00 PM	Local Housing & Resilient Infrastructure	**Urban**	Advance locally appropriate housing and infrastructure solutions that improve resilience and affordability.

Pavilion 3			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:00–03:00 PM	Mumbai's Coastal & Wetland Ecosystems	**Biodiversity**	Build a shared agenda to protect and restore Mumbai’s coastal and wetland ecosystems.

Pavilion 4			
Time Slot	**Session / Availability**	**Track / Theme**	**Session Objective**
02:00–03:00 PM	Local Renewable Energy Models for Maharashtra	**Energy**	Showcase community and locally led renewable-energy models that can scale across Maharashtra.
